

Wells Fargo opens a mobile banking branch at the Cascades of the Sierra

RENO, Nev.—Cascades of the Sierra, northern Nevada’s newest senior living community, announces it has partnered with **Wells Fargo** to open a mobile banking branch on the campus for residents, staff, family and friends. Located at 275 Neighborhood Way in Spanish Springs, Cascades of the Sierra offers residents resort-style living. The mobile banking branch will open Thursday, July 16.

Wells Fargo will offer basic banking functions at the branch, like check cashing and deposits, in the dedicated space in the lobby of the community. “We will continue to focus on bringing helpful services, such as in-community banking, to our residents and others who visit here regularly,” said David Schneck, executive director, Cascades of the Sierra.

Cascades, owned by Cascade Living Group, is northern Nevada’s largest and most comprehensive continuing care retirement community, offering independent living, assisted living and memory care apartment homes for individuals 62 years and older. In addition to being the first continuing care community in northern Nevada, Cascades of the Sierra is also the first care community to have 24-hour nursing care.
