

Ashley Gardens of Bremerton Names Rose Koski Employee of the Quarter

BREMERTON—Ashley Gardens of Bremerton, a memory care community, recently named Rose Koski Employee of the Quarter. Koski has been a resident assistant at the community for more than four and a half years. She was recognized for her dedication, and compassion as well as excellence in delivering resident centered care.

“Koski is a valued member of our team and was selected by the department heads because of the friendship she offers residents along with the care,” said Ashley Gardens Executive Director Carrie Mulcahy.

For more information about the specialized memory care services offered at Ashley Gardens at Bremerton, call 360-478-7277, or stop by the community at 3231 Pine Road.

About Ashley Gardens at Bremerton (www.cascadeliving.com
<<http://www.cascadelivinggroup.com/>>)

Ashley Gardens at Bremerton is owned by the Cascade Living Group. Cascade Living Group was founded in 2005 to offer seniors innovative living options. Focused in the western U.S., Cascade Living Group seeks to provide active retirement, independent and assisted living, as well as integrated free-standing Alzheimer’s assisted living environments. Cascade Living Group operates three Alzheimer’s and dementia care communities in three states.
