

## **Hudson-Farrow Named Wellness Director of Desert Hills Memory Care Center**

**HEMET, Calif.—August 11, 2008**—Desert Hills Memory Care Center in Hemet has appointed Chantelle Hudson-Farrow, LVN, wellness director for the memory care community. In this position, Hudson-Farrow will assess and monitor residents' medical conditions, supervise care giving and assist residents and families in coping with the challenges of cognitive impairment.

Hudson-Farrow, a native of Riverside County, began her career in health care at Loma Linda University Medical Center **as a medical assistant and phlebotomist**, where she found her love for seniors and veterans. Hudson-Farrow has more than eight years experience in the health care industry with more than four years of senior care practice. Most recently, Hudson-Farrow served as the assisted living director at Sun City Gardens in Sun City.
