

Ashley Gardens of Mt. Vernon Names Steve Needham Wellness Director

MT. VERNON— Ashley Gardens of Mt. Vernon, a memory care community, recently named Steve Needham the wellness director. Needham has more than seven years of experience in health care and four years experience in skilled nursing care as well as extensive experience as a caregiver and nursing assistant. Prior to his position as the wellness director, Needham was a licensed practical nurse at the community. Needham previously worked in law enforcement.

Needham will be responsible for overseeing residents' health and wellness at Ashley Gardens.

For more information about the community or to schedule a tour, please call 360-419-9422.
