

Welcome to September friends and family of Meadow Creek Village residents! Summer is coming to an end mid-month, but our residents have thoroughly enjoyed the sunshine and hot weather. Last month we had a beach picnic at Depoe Bay, fed ducks at Pringle Park, and even visited the Brother's Car Collection. This month, we look forward to new musicians performing at the facility such as Blake Johnston, who sounds just like a young Johnny Cash. We also will be welcoming pianist Adam Stephenson who plays oldies but goodies. If you are a creative person who enjoys painting, we invite you to join our Paint 'n' Sip Event on the 11th from 6pm to 7:30pm. Everyone is welcome! We are also having another painting class on the 7th from 2pm to 3pm. So many great opportunities to let your imagination shine. We celebrate our housekeeper, Christina, this month with a staff and resident spirit week! Please see calendar for themes. As summer turns into fall this month, we will start preparing for the upcoming holidays. If you or a loved one are interested in volunteer opportunities, please reach out to Life Enrichment Director, Paisley Larsen, for details.
