## Good Friends Make Good Neighbors Program

Seniors love living at Inland Point and since our residents are often our best spokespersons, we've created this Program to show our appreciation.

When an Inland Point resident or family member refers a new potential resident\* to a Cascade Living Community and that person moves in for at least 90 days, the referring resident will receive a \$1000 credit applied to their base rent.

\*In order to qualify as a new potential resident, the person being referred may not already be on our contact list. To make a referral, and ensure you receive a credit for making introduction, please provide your name and the name of your friend or family member to our Executive Director or Community Relations Director prior to the inquiry or tour.

## Happy Holly - days

Haul out the holly! For thousands of years, people from different cultures have used branches of holly, full of glossy green leaves, to decorate their homes in wintertime. Birds like to feast on the foliage's bright red berries. Of the 400-plus varieties, English holly and American holly are most commonly associated with the holiday season.
