December Newsletter

Welcome to December friends, family, and residents of Meadow Creek Village Assisted Living. Last month we celebrated so many wonderful holidays and enjoyed several exciting outings! We had a 2-day Veteran's Day celebration volunteers from the VA brought our residents fun merchandise and read us their mission statement for 2023-2024. Thanksgiving Day was celebrated a day early on Wednesday with a fantastic homemade dinner by our fabulous kitchen staff. A big "thank you" to those families who were able to join us. We also visited The Brother's Car Collection in Salem for the second time, and had such a blast! Please check out our FB page to see the latest photos and flyers for upcoming events. Our new FB page has a **red logo**.

In December, we look forward to adorning the facility with new trees in each living space. We are also accepting any ornament and other decoration donations from those who wish to declutter this year. Please reach out to Paisley the Life Enrichment Director at PaisleyL@cascadeliving.com. Merry Christmas and Blessings from our staff and residents to your family.

EMPLOYEE OF THE MONTH

April Defoor

April has been with Meadow Creek Village since June. Before coming to work as a care associate, April was a regular visitor at the facility for one of her friends named Eva who lived in Apartment 302. In such a short amount of time, April has become one of the most beloved care associates on our team. Not only does she go above and beyond, but April has also collected several donations for the kitchen and activities department. Her passion, creativity, and dedication to this field is the reason she has been awarded with Employee of the Month.
