February 2024 Activities Newsletter

Welcome to February friends and family of Meadow Creek Village residents. Last month we enjoyed some rest and relaxation after so many busy holidays. The New Year is a time to both reflect and make goals for the upcoming year. Whether your goal is to increase your exercise, make more friends, or simply to get out into the community, we have got you covered! There is a variety of exercise classes offered daily, and we encourage you to check them out. What better way to meet your neighbors than at church? Chapel Services will be changed from Thursdays at 2:00pm to Thursdays at 3:15pm. Do you feel like working with your hands, but you don't know what to do? In February we will be baking, painting, working with clay, making soap, and exploring sensory activities. Please see calendar for details on times/dates. This month we have several activities to acknowledge Black History Month, the Chinese New Year, Mardi Gras, and Valentine's Day. With so much fun to be had, we hope you will join us. May your February be full of love and enjoyment.
