March 13th at 3:00pm

Music Box Angels

March 18th at 1:00pm

Don Philipps

March 23rd at 5:00pm

Magnificent March

Welcome to March friends and family of Meadow Creek Village Assisted Living! Last month we had a blast celebrating so many different holidays. Phil the Groundhog didn't see his shadow which means that we will hopefully have an early spring. Super Bowl was a blast and our residents enjoyed spending time with their neighbors while watching the big game. Valentine's Day was an incredible success, and we thank our kitchen staff for providing our residents with a delicious Italian-inspired lunch. All our residents received fresh flowers and enjoyed chocolate fountains with fruits and other goodies. In March, we will be implementing a few new activities. Elder Scouts is a weekly meeting where residents can challenge themselves to travel to new places, try out new skills, and earn badges. We are partnering with Madrona Hills to start a Pen Pal Program. If you are interested in signing up, please speak with our Life Enrichment Director, Paisley. We look forward to celebrating St. Patrick's Day and Easter this month. Please check your email or Facebook for details about our Annual Easter Egg Hunt the Saturday before Easter Sunday. Feel free to contact Paisley for any clarification. Thank you!

Super Bowl

Our residents enjoyed watching the Chiefs play against the 49ers! We had plenty of snacks and drinks to go around.

Music Box Angels

These amazing volunteers brought hope and music to our facility. We are always grateful for their companionship.

Four Corners Elementary School

The talented 4th and 5th grade choir performed for our residents. They did such a wonderful job!

Art Therapy Starting in March

Every other Friday we will have Art Therapy in the Lounge. Come express yourself using supplies provided by Life Enrichment. This month we will be using clay, finger-painting, and making collages out of magazines.

We hope you will join us and get to know some of your neighbors!
