May Birthdays

Those born between May 1–20 are Bulls of Taurus. Bulls show a steady persistence in both professional and personal endeavors. After working hard, they like to reward themselves for a job well done. If you were born between May 21–31, you are a Twin of Gemini. Geminis make communicative and lively companions. Intellectual and imaginative, they are the ones to sit near at a party.

Good Friends

Make Good Neighbors

We take great pride in knowing how much you are enjoying the many benefits of sharing life here at Arbor Village, and we're glad you have chosen this as your home. Now you can benefit by helping us spread the word about life at Cascade! **That's right: refer a friend or family member to us and get credit toward your rent.**

Here's how it works: When an Arbor Village resident or family member refers a potential new resident to one of our communities and that person

moves in, the referring resident will receive a \$4,000 credit on their base rent. In order to qualify, the names of the person making the

referral and the prospective resident must be given to the Executive Director or the Community Relations Director prior to the inquiry or tour. After the new resident has resided at one of our communities for 90 days, the credit is given.
