The Good Old Days

In 1943 (over 80 years ago), the average annual income was \$2,043. Today, it's around \$60,000. The average cost of a new house was \$3,600. A loaf of bread was 9 cents, and a gallon of milk was 62 cents. Stamps were 3 cents each. A car cost \$1,100, and gas was just 21 cents a gallon. According to the Consumer Price Index calculator, \$1 in 1943 is equivalent to over \$14 in today's money.

May is the fifth month of the year on the Gregorian calendar and one of seven months with 31 days. May is special month for just about every culture. What's not to love? May signals the height of spring, and summers's just around the corner! For Roman Catholics, it is the month to honor the Virgin Mary; for Buddhists, it marks the Buddha's enlightenment; for early pagancultures, May was the time to celebrate the month's namesake, Maia, goddess of the life cycle.

The Difference Between Living and Living Well

A Message from the Resident Council President

On April 10th, at the Heritage Springs Residential Council Meeting, it was announced that Resident Council president, David Morris has resigned as president of the Resident Council and he appointed Larry Naughten as the new president. Larry thanked David for his over three years of service as president. Larry went on to say he was honored for his appointment as the new Resident Council president. Larry also said that his main goal as president, is to continue to maintain and promote the quality of life for the residents of Heritage Springs. Larry went on to say that he would welcome any comments or concerns that any resident may have by calling (702) 592-6897.
