Welcome to Marvelous May!

Welcome to May friends, family, and residents of Meadow Creek Village! Last month we kicked our Gardening Club into gear! Our residents are assigned plants, and we predict an amazing harvest ahead. Our Men's Monday activity was a huge success and our residents got to display their beautiful handmade bird houses along the community. We celebrated Earth Day by making critter feeders out of apples and pinecones. We learned ways to recycle and watched a Planet Earth documentary. Lastly, our residents had a blast at Agriculture Festival yet again this year! We enjoyed live music, delicious food, beautiful plants and adorable farm animals. We are introducing new musicians every month! Catch your favorite local bands and artists this month along with two **MUST** see shows: The Rowdy Rumlbers and Anderson Ministries Route 66 Performance! Check out "Live Vendors this Month"(column to the left) for dates and times. Attention residents, do you have a special skill or talent you want to share with your neighbors? Paisley is looking for residents who have are interested in inspiring a new activity for the upcoming months. If this sounds like a fun idea, please come speak with Paisley our Activities Director. We are having a Music Therapist come once a month to work with residents. If you are interested in having a full hour session with a Melissa our music therapist, please see Paisley our Activities Director and she will get you the information you need. We encourage all residents to attend Activities Committee for the latest update on activities, outings, and events. Activities Committee is the first Thursday of every month at 10:00am in the Lounge. Thank you!
