Laure Letter May 2024

Thank the Lord! What a beautiful month that we had at Sierra Del Sol in April. More and more residents are moving in every month.

People that work in the senior living industry do so because they have a sincere passion for working with seniors. What a boost it is to all of us to meet some new faces and get to know them and learn from them. Our residents are meeting new neighbors as well. It is so inspiring.

I love this building for so many reasons. It is just the perfect size where we are not too small, so we don't have enough staff to provide the many amenities that we provide, and we aren't too big that our residents get lost in the system. We love knowing each one of our residents personally!

Last, I just want to add how inspiring it is as well to have families come in to visit their loved ones! I think back to a little over a year ago when there were so many restrictions. I am so grateful for today.

Last, I just want to say – what a wonderful group of professionals we have working here. I was off last week for my fourth daughter's wedding. I was contacted maybe three times in 8 days! You are good hands at Sierra Del Sol.
