Music We Remember
(Performer will vary)
June 26th at 1:15pm

Jammin' Out in June

Welcome to June friends, family, and residents of Meadow Creek Village! Last month we kicked off spring by celebrating May Day with a special surprise bouquet for each door of Meadow Creek Village residents. We also celebrated all our residents with an amazing Fancy Hat Tea Party! Residents donned their handmade hats, and guests dressed up in their best formal wear to enjoyed gourmet desserts and a live performance by a professional harpist. Outings were also a blast, as our residents munched delicious burgers at Red Robin and admired art and sculptures at the Hallie Ford Museum. Our Gardening Club continues into the warm weather, and our residents are working hard to keep deer and turkeys at bay. We enjoyed plenty of live music this month, with an extra special performance by Anderson Ministries. They rocked our socks with a fabulous Route 66 Rock 'n' Roll performance. Continuing into June, we will have challenges for our Elder Scout Troop members to work toward. If you would like to get involved in Elder Scouts, please see Paisley for details and she will get you everything you need. We have a new exercise vendor coming to visit called Fit Group U.S.A. They will be running a musical cardio class, and we encourage everyone to give it a shot. Find more ways to exercise by getting involved in our exercise Food Drive starting in June. Men's Monday in June will host a Spirit Mountain Casino trip. Lastly, we look forward to celebrating Father's Day with a delicious BBQ. We invite all our family and friends to join! Details will be emailed out. We hope you all have a great month!

Mother's Day fancy Hat Tea Party

May Day Flowers

Gardening Club is in Full Swing!

Men's Monday Mystery Game

Elder Scouts meet twice a month, every other Monday. There are new challenges for the months of May and June. Grab a flyer from the Lounge or talk to Paisley the Activities Director for more details.
