Victoria Lafferty Life Enrichment

Catch Victoria spreading joy in our life enrichment area or sharing laughs with residents all around the Lodge and the Village. When she's not busy being the life of the party, she's at home, enjoying some family adventures with her spouse and three boys.

Geneva Bolar Life Enrichment

With over five years of experience in the realm of senior living, Gen is delighted to embark on a new journey with the Life Enrichment team! Previously residing in Puyallup for seven years, Gen made the move to Kent last summer and has been enjoying her time here ever since. Her interests include reading, traveling, dancing, and anything related to music! She is eager to work creatively and ensure that every day is meaningful!

Serena Phipps Community Relations Director

Serena is originally from Chicago, Illinois but has moved around a lot with the military. Her family immediately fell in love with Washington, and they settled here. She is a mother of 5 children, and has one grandson. She enjoys spending time with family, friends, and is always outdoors. She loves camping, fishing, hiking, and boating. She drives a Jeep and when she's not outdoors then, she is at a Jeep Charity Event.

Veterans, Do You Know?

What is the Difference between VA Aid & Attendance vs. Medicaid Benefits?

What are my financial options?

Mary Craves-Holland will be hosting a special session to provide insights into the financial options available for veterans. This informative discussion will help clarify the differences between VA Aid & Attendance and Medicaid Benefits, ensuring you understand which benefits might be best suited for your situation.

VA Aid & Attendance is a benefit for veterans and their surviving spouses that provides additional financial assistance to help cover the costs of assisted living care. This benefit is specifically designed for those who need help with daily activities such as bathing, dressing, or eating.

On the other hand, Medicaid Benefits are available to individuals with limited income and resources, offering coverage for a variety of medical and long-term care services. Medicaid can cover some services, making it a valuable resource for those who qualify.

Understanding these options can be complex, but Mary will break down the application processes and eligibility criteria, helping you make informed decisions about your care needs or those of your loved ones. Don't miss this opportunity to gain valuable knowledge and ask any questions you may have. Remember to RSVP to ensure your spot in this enlightening session.

Good Friends Make Good Neighbors

We take great pride in knowing how much you are enjoying the many benefits of sharing life here at Arbor Village, and we're glad you have chosen this as your home. Now you can benefit by helping us spread the word about life at Cascade! That's right: refer a friend or family member to us and get credit toward your rent.

Here's how it works: When an Arbor Village resident or family member refers a potential new resident to one of our communities and that person moves in, the referring resident will receive a \$4,000 credit on their base rent. In order to qualify, the names of the person making the referral, and the prospective resident must be given to the Executive Director or the Community Relations Director prior to the inquiry or tour. After the new resident has resided at one of our communities for 90 days, the credit is given.
