## **Bill Mall**

Bills job was a building and machine main. He was in the Navy for 3 years and traveled to Japan, Hong Kong, Hawaii and the South Pacific. Bill was a pool shark and won every tournament he was in. In fact, he is very proud of the 3 trophies he has won. He also enjoyed woodworking and says he has done a lot in his day. Bill we would like to thank you for joining our family here at The Pointe.

Tarina joined the Pointe family recently in April as our new Asate Wellness Director. Tarina is an LPN and comes to us from Wisconsin. She is married and has 6 children and 3 grandchildren! She has been in the healthcare field for 41 years holding various roles and has plans to continue on for her RN. She joined the army as a medic and spent 13 years in service. Tarina has traveled all over the world and even has a home in Pakistan! Tarina also owns her very own chocolate and truffle shop and hopes to open one here! We are excited to have her join our team and can't wait to sample some chocolates!!

Garden News 5/2025

May newsletter

Please join us in celebration of our grand opening of the Monty Fell Community Garden dedication and ribbon cutting. May 8th at one o'clock, in the garden!

Lemonade and cookies will be served. Watch for the flyers posted on the upcoming event! Thanks to all who came before and to those now and in the future. Because you share with others, there is a community garden all of us can be proud of!

A labor of love

April flowers gave us quite a gift of color all around, in the front raised beds.

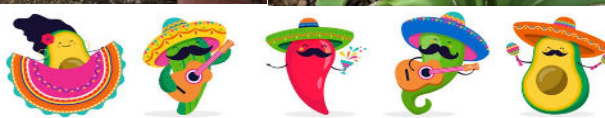

The work party participants worked hard bringing in soil to the new north side beds, with success! The hands-on participants were:

Norm, Ed, Don, Anessa, and Katherine. Michael worked on trimming and mowing both the garden and dog park.

A special thank you go to Debbie for the continued support on bird food! Bob for your extra effort doing a fantastic job on the raking, weeding, the strawberry snail hunt and rock moving.

Thank you all, for your continued support! We continue improving the community garden by way of donations. The garden fund can, in the store is available to accept any amount you wish to share. If you want to participate in more personal way, by way of an item, see Katherine.

Join us in the garden.

## A NOTE FROM THE "LITTLE STORE"

May, 2025

Summer is right around the corner. The Little Store has lots of accessories to help get you through all those hot, sunny days. How about some sunglasses to help ward off that glare? Plus, you look soooo cool.

We have cooling scarves too. Just wet it and put it around your neck. It's magic.

Need a pitcher for your lemonade or iced tea? We've got the answer and it's beautiful.

Need planters for your favorite herbs or flowers? We've got 'em. You can plant them now and have them for the whole season. We even have potting soil to help you get started. If you feel the urge you can mosey on out to the garden and stake out a plot. You can have your own tomato or hot pepper or whatever vegetable you would like. How about it?

If you have pierced earrings that you need converted to clip, we have converters in both gold and silver colors. Come on in and see how they work. Unfortunately we don't have them to convert the other way round.

Come on down, come on in and chew a little fat.

Julie, Ray, Cathy, Crissy, Kathy, Kathleen, Dianne (don't you want to add your name to this list?)
