A Broadway Classic Turns 70

Seventy years ago, on March 15, 1956, *My Fair Lady* opened on Broadway and quickly became one of the most celebrated productions in musical theater history. Its premiere at the Mark Hellinger Theatre marked the beginning of a record-setting run that helped define a golden era for the American stage.

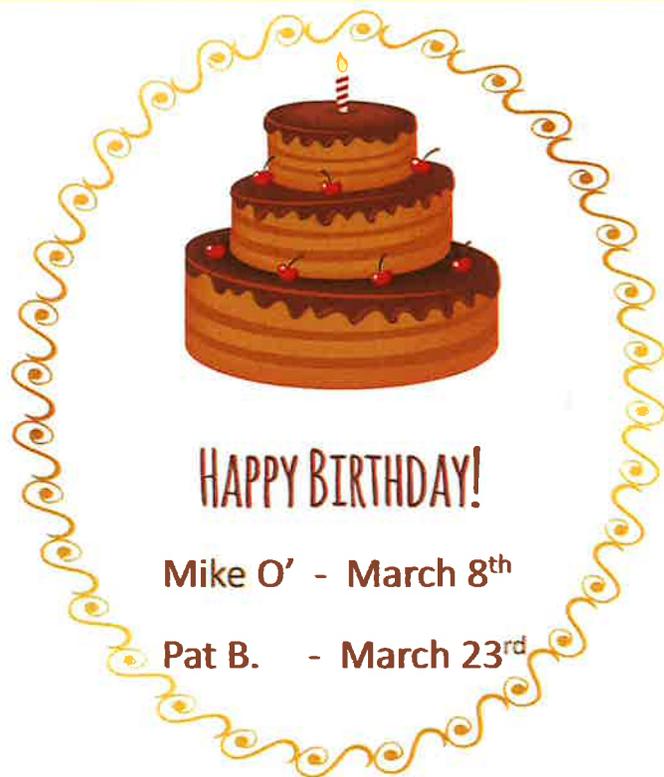

Set in 1912 London, the story follows Eliza Doolittle's transformation from a struggling flower seller into someone confident enough to challenge the expectations placed on her. Although the original production reflected mid-20th-century attitudes, many modern viewers see Eliza's arc as a useful lens on empowerment—an idea that aligns neatly with March's Women's History Month. Her pushback against Professor Higgins feels more relevant now than ever.

Over the decades, the show's score has played a major role in its longevity. Songs like "I Could Have Danced All Night" and "Wouldn't It Be Lovely" became standards, recorded by a wide range of performers and woven into popular culture. The familiarity of the music keeps the show accessible, even for those who haven't seen a full production in years.

Dining Services

How about a little more detail about Kayla, your dining services director? She is a 35-year-old mother of 4 daughters. She is from West Texas and has been in the culinary industry for over 15 years. She moved to Oregon in 2018. She has been with Emerald Valley for the last 4 years and looks forward to many more years to come. Kayla has a degree in Graphic Design. She also has 5 years of tattooing experience and has recently started her own reptile and plant shop as of 2025. Kayla loves music, animals, art - and fast cars!

March Birthdays

In astrology, those born between March 1–20 are Pisces. These Fish are spiritual types who feel comfortable in their introspective natures. As passionate, romantic, creative dreamers, they are charitable helpers who “go with the flow.” Those born between March 21–31 are Rams of Aries. As the first sign of the zodiac, Arians charge out of the gate with energy, confidence, power, and zeal. As pioneers, Arians are unafraid of the unknown. For these eternal optimists, no odds are ever considered insurmountable.

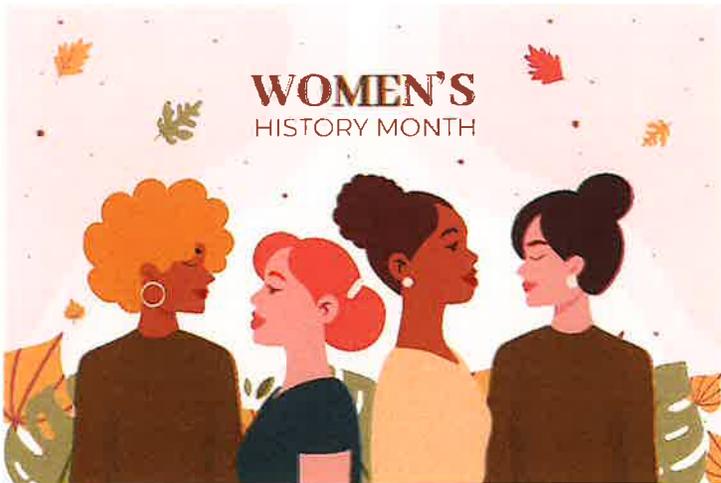

Hi, I'm Teresa Courtney, and I will be filling in as your Executive Director until Amanda returns. I have 35 years of experience as an Executive Director. I'm excited to get to know everyone! My door is always open if you want to talk.

Concerning Care

As your resident care coordinator, I am responsible for managing daily care services at Emerald Valley, overseeing your care plans (updated, making changes, and following up with staff on making sure they are followed), supervising Care staff, training new hires, managing medication/treatments, and acting as a liaison between residents, families, and Emerald Valley team/outside providers to ensure high-quality, person-centered care while maintaining state regulatory compliance.
